<i>Type</i>	<i>Code</i>	<i>Description</i>	<i>Comment</i>
Earn	709	Pandemic Premium Pay .50	To payout Pandemic hours as worked, enter 709 in PHAHOUR with the total hours worked and the system will pay out at .50x.

# Accrue as Comp Time

Type	Code	Description	Comment
Leave	PAND	Pandemic Comp .5x	If not using earn code 428 to accrue PAND comp time in PEALEAV, then HR must manually calculate comp time (hours worked divided by 2) and accrue the comp time hours in PAND bucket in PEALEAV
Earn	413	Comp Time Taken (.50 x)	Used to build the PAND cascade in LCAT and for use by payroll if needed.
Earn	428	Pndm .50x Comp Earned	<p>Enter hours worked in PHAHOUR using this earn code and it will populate the PAND PEALEAV bucket with the correct Pandemic comp hours (hours worked divided by 2). Not used to pay out leave from the PAND bucket in PEALEAV.</p> <p>If accruing PAND hours as comp time, campus should use EITHER manual accrual in PEALEAV OR 428 earn code in PHAHOUR but NOT BOTH.</p> <p>Non-cash code</p>
Earn	813	Pandemic Comp Payout	<p>To payout PAND bucket in bulk, enter the 813 earn code with the number of hours to pay in PHAHOUR. This code reduces the PAND bucket by the number of hours paid.</p> <p>This code is taxed at the supplemental rate.</p>

# Employee Taking Accrued Comp Time
