Name of Report: PGAWDTOT_v3.fex

Purpose of Report: This report can be used to research any deduction issue for individual employees providing detail in one report. The report enables users to pull deduction history for year for up to 10 BDCAs per report. The output lists detail by BDCA on individual tabs. An example, to research Retirement withheld enter BDCA 100, 101, 110, 111, 112, 140, 141, 142, 150, 501. Each BDCA will print on separate tab. If no history is provided, then deduction was not withheld for the year entered.

One BDCA should be 501 for Permanent Employees or 502 for Temporary Employees to provide history of wage history for the year that can be compared to deductions if no history is returned.

Parameters: Payroll Year, Year Type - Fiscal or Calendar(default), and BDCA (up to 10), Banner ID (optional), and Report display format. (EXCL or PDF)

Banner Tables/Views: SPRIDEN, PERDTOT, PDRDEDN, PTRBDCA

PGAWDTOT Deduction Total History by BDCA

Sort Order: BDCA, Name

Selection Criteria: This program finds all employee(s) with wages, an employer amount, and employee amount for the selected BDCA code. At least one BDCA code MUST BE ENTERED or the report will error!

Sample Report: The report output by tab is the Name, Month, BDCA, Applicable Wages, Employer Amount, and Employee Amount. Note, if no records exist for the BDCA entered, a tab will still show with that BDCA code and no data in the other fields. See sample report below.
